HONOURABLE MINISTER FOR LABOUR AND LEGAL AFFIARS

GOVERNMENT OF MYSORE.

CAMP: MANGALORE.

SIR,

On behalf of the public of Kasaragod Taluk, we the undersigned beg to place before you and the Government of Mysore our views on problems relating to the merger of Kasaragod Taluk with Mysore State.

The question of merger of Kasaragod with Mysore State is not a new one and all relevant facts concerning the jurisdiction of this step has been placed before all concerned times without number. The ruling party in Kerala says that it is not against the proposal and other potitical parties of that State have committed themselves in one way or the other that the proposal is not unjustified. The only task to do is to take the initiative.

Under the above circumstances, we look upto the people and popular Ministers of Mysore State to extend a helping hand in solving the problem and fulfill the legitimate aspirations of a portion of Karnataka subjects, so that they may also hold their well deserved place in public life and live as contended xcitizen of Mother India. We feel that this problem would remain unsolved unless the Mysore Government take concrete steps on Governmental leval with all concerned.

Therefore, we would request you and the Government of Mysore that all possible steps may be taken for

early redress of this grave injustice done to the public of Kasaragod Taluk.

Yours faithfully,

Mangalore
